

**PLEDGE OF COMMITMENT
FOR
AWS RESTART SCHOLARSHIP**

I, Gabriel Louis D. Gimeno will make a pledge of commitment to my **AWS re/Start Training Scholarship**:

1. To **attend** daily and complete the 9-week program AWS re/Start Training.
 - a. I understand the essence of attending my sessions, both during the program and the review sessions, to be able to perform to the best of my ability.
 - b. I commit to my chosen schedule for the whole 9-week program, from August 29 - November 14 2023, and attend with punctuality.

Please choose your preferred schedule below:

Morning Class (8:00 AM - 12:00 NN) ▾

2. To **participate** and make my best efforts during my AWS re/Start Training.
 - a. I commit to participate actively through the assigned LMS (Canvas) and learn to the best of my abilities.
 - b. I understand that my commitment to participate entails my commitment to establish a respectful relationship with my instructors, and fellow scholars.
 - c. I commit to becoming active and establishing open communication with my instructors and fellow scholars.
 - d. I understand and comply that I will deposit a Pledge Fee amounting to Php 3,000.00 through *bank transfer in **Edukasyon's account. I understand that this will only be held until the completion of the Program with 100% complete attendance and a scheduled AWS Certified Cloud Practitioner Exam, then the pledge fee will be released back to me. **Learner will share the proof of transfer with the program team and a similar way will be done by the Finance team of Edukasyon once we transfer back the pledge fee to the learner*

****ENGADIN CORPORATION**

001470004401

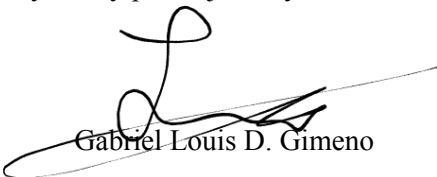

UNIONBANK OF THE PHILIPPINES

3. To **prepare** for classes and sessions during my AWS re/Start Training.
 - a. I will prepare myself for my sessions during the whole program by familiarizing myself with the program curriculum.
 - b. I commit myself to learning all the necessary technical and soft skills to be a cloud practitioner.
 - c. I will take the initiative to spend time learning independently while learning from my instructors and with my fellow scholars.
4. To **complete** and **finish** my AWS re/Start Training.
 - a. I will complete all of my academic requirements with punctuality, and be ready during each of my classes and sessions for the whole duration of the program.
 - b. I will finish my training through dedication and a mind willing to learn from my instructors.

- c. I will finish the **9-week** training program without stopping and will receive the AWS re/Start completion certificate after finishing the final assessment
5. To **prepare** myself to pursue the AWS Certified Cloud Practitioner certification exam.
 - a. I will attend review sessions to be able to take the AWS Certified Cloud Practitioner certification exam with the help of the AWS re/Start program.
 - b. I will initiate self-tutoring and independent review sessions to refresh my learnings and be able to take the AWS Certified Cloud Practitioner certification exam.
 - c. I will schedule to take the certification exam within 30 days before the end of the training
6. To **become** part of the growing cloud practitioner community in the Philippines.
 - a. I will make myself ready for job opportunities if I graduate from the program within six months after graduation.
 - b. I commit myself to attending events and activities organized by Edukasyon.ph to connect us to their hiring partners.
 - c. I will ensure to grab the job opportunities offered to me with confidence brought by the cloud skills I learned through the duration of the program.
7. To bear a **positive** mindset during the duration of the AWS re/Start Training.
 - a. I understand that the challenging curriculum, requirements, and such would be necessary for my development and learning process.
 - b. I commit to embracing the difficulties I may face during the duration of the training and making it a learning opportunity for my growth.
 - c. I will ensure to be a part of a healthy learning environment alongside my instructors and fellow AWS scholars.
8. To **prepare** myself in connecting with the AWS reStart hiring partners.
 - a. I understand that at the end of the training, my data will be sent to the hiring partners of AWS reStart Program
 - b. I ensure to be responsive during the recruitment of the Hiring partners and update AWS reStart Program team

I understand that my commitment will be very vital to reach my full potential and complete the AWS re/Start Training. With this, I will ensure to apply the above conditions and fulfill my commitment to be a successful AWS re/Start Scholar. I understand that committing myself to the scholarship program would be necessary for my newly paved journey and embark on a new part of my career.
